

Dear friends,

The Ministry of Agriculture, Forestry and Water Management, EBRD, EASTAGRI, FAO, and World Bank will organize the meeting between the representatives of international financial institutions and the Serbian agri business sector. The aim of the meeting is to exchange the experience and meet each other in order to establish better cooperation. Our common goal is to create a sustainable agricultural sector capable of competing in the world market. As such, agricultural sector would bring an increase in personal income and GDP.

The seminar will be held as a side event during the Annual EBRD Meeting which is organized in Belgrade from 21 – 24 May 2005.
